“Hi Cassie. Thankyou for everything! The night ran so smoothly and Mat & I enjoyed ourselves so much! The staff were awesome. The girl at the bar was amazing. Graeme (who looked after the Bridal Party) was the star of the night! He looked after Maty and I so well. Thanks again Cassie”.

Jennifer & Kent Blucher | Saturday 6th August, 2011

“Good Morning Cassie, Thank you for following up with us. We’ve been in Fiji for the last week, hence why I haven’t been able to get back to you. Kent & I had a wonderful time at our wedding and the day flowed very smoothly so there was really no stress for us whatsoever. I wanted to thank yourself, Marika, all the service staff and the kitchen staff for such a wonderful night. Staff were available for us whenever needed; I know mine, Kent’s & several people I spoke to drink’s were never empty; and we continue to hear such positive comments regarding the food. I can quite clearly see how you have received the accolades that you have. Thanks again for everything Cassie. We will definitely be back for our anniversary next year however most likely before then as well...”

From the Best Man; Mick Roach | Principal | St Joseph’s Catholic Primary School.

“Good Morning Cassie. I was the Best Man at the wedding of Kent & Jen Blucher at the Port Office Hotel on Saturday night. I need to share with you that it was the best wedding reception I have ever been to. The staff were so friendly and helpful, the service was fantastic and the food was to die for. Please pass on my thanks to all of the staff involved and I will be sure to recommend the venue to anyone in the near future. Cheers’.

Alyssa & Sam Morris | Saturday 9th July, 2011

“We had a wonderful day, and I just wanted to thank you and all the staff so much! Our friends and family all loved it, especially moving upstairs. The food was beautiful, and thankyou for helping everything run so smoothly. The day was perfect. I hope you have a good week! Kind Regards, Alyssa (Morris!) ☺”

Renee & Jordan Bennie | Saturday 25th June, 2011

“Hi Cassie. Thank you so much for making our wedding reception ‘perfect’! I will never forget walking into the restaurant and seeing everything ‘pulled together’ – it looked amazing and the night only got better from there. We have had nothing but rave reviews from our guests about the service and the food – everyone was so well looked after. Aunty Mary even commented how lovely her meal was! We came to you and the Port Office because we didn’t want a ‘stock standard’ wedding reception – we wanted good food, good wine, and great service at a venue we loved and could relax with our friends and family. You delivered all of this and so much more. Not only did I spend many Thursday, Friday and Saturday nights during uni drinking at the Port Office, but I celebrated my uni graduation in the Wine Room and now my wedding reception in the restaurant.... you’ve got me hooked! I have some fantastic photos of the restaurant – when I work out how to get the huge files off the CD, I’ll send them to you! Again, thank you, thank you, thank you. RB x”

From the Father of the Bride; Jim Creagh.

"Dear Cassie. Thank you for your lovely words about the kids. We agree! We thoroughly enjoyed the wedding as did the most important ones, Emmy and Gerry. It most certainly lived up to and exceeded our expectations. We have heard many compliments from our guests as well. Tina and I were delighted with the Port Office as a venue and the wonderful effort you and your colleagues put in for us. I have no doubt that the many prospective brides in the room took note as well. The music was an outstanding success as well. It is a very good band. Once again, many thanks.

Kind regards. Jim Creagh"

"Hi Cassie. Thanks for your email, the wedding reception was all those things you mention. Everyone has commented how fantastic the food was, so you might get some repeat customers. We would recommend the venue to anyone, the food and service were of great standard, and your coordination and assistance with the preparation made the process a breeze!"

Heidi & Zane Russell | Saturday 7th May, 2011

"Hi Cassie. We both wanted to say thank you for helping us organise our special day. Your support, dedication, organisation and professionalism was amazing and we would not have had such a wonderful day without you. The Port Office Hotel, Fix Restaurant & Wine Bar especially, provided us and our guests with fabulous food, service and good times. Your staff was a credit to your establishment and the service they provided was great. People are still raving to us about the service and the food. Caroline, our waitress, was very attentive and helpful. The chef deserves credit for supplying amazing food to ourselves and guests, especially to the people with dietary requirements. My aunty (who you have heard from) was blown away - and she has eaten at many exclusive restaurants. You all should be so proud of your work place. Thank you again for providing a stress free wedding reception - I look forward to referring you onto others. Love The Russells".

Jessica & James Bros-Wilshire | Saturday 30th April, 2011

If you could please pass on our special thanks to Eleanor, Gina and all of the other staff that were there on the night as they were all more than amazing. It was definitely a night to remember and all of our family and friends had an amazing time also. Thank you again to you and all of the staff. Talk soon. James and Jess"

Kellie & Ivan Peryer | Friday 15th April, 2011

"Dear Cassie, Thank you so much for the wonderful wedding reception in the Liber Lounge. Please pass on our thanks to the staff and bar management that were there on the day. We felt like nothing was too much trouble and all of our guests were extremely impressed with the food and level of service received. A special thanks to you as well as nothing ever seemed too hard and the reception ran like clock-work. Our confidence grew every time we spoke and we were definitely not let down on the day. You and the Port Office staff did an amazing job (from arranging the cakes to presenting us with Spiderman!!!) we had a fabulous time and one that will be remembered as the perfect finish to a perfect day! Thank you... Warm regards, Ivan and Kellie"
