"Good Morning Cassie. I just wanted to say a sincere "Thank-You" to you and your wonderful staff on Saturday Night!! Everything was perfect- the food, drinks and professional service on all levels were outstanding. I'm sure there were trying times in the evening for the staff they didn't complain once they took in all in the stride with a smile on their faces. A big thank-you to Travis for looking after our table and to Ruben for overlooking the night. Everyone enjoyed themselves on the night and also wanted me to pass on their thank-you's. We are looking forward to coming back in the future".

"Hi Cassie. Just want to say a big thank you for all your hard work towards our wedding reception. We had a fantastic time and were very impressed with the venue and service. We have received lots of positive feedback from our guests stating it's the best wedding venue they have been to so far! So thank you to you and all of the staff at the Port Office Hotel from both Nick and myself! We will definitely be recommending the Port Office for functions in the future and look forward to coming back to the Fix Restaurant for our anniversary!"

Gareth & Anna Russell **Saturday 24th April, 2010**

"Hi Cassie. A really quick email before we board our plane. Thanks very much for everything over the last 8 months. Last night was super; a dream come true for Anna and I and we couldn't have done it without you. Thank you!"

Nicole & Darren Harbinson **Sunday 4th April, 2010**

"Wow, what a fantastic reception!! I can honestly say absolutely everyone had a wonderful time. Our friends and family are still raving about the night. Darren and I wanted to say thank you to you and all of the staff involved in making our wedding reception a night we will remember always. One of the highlights was the use of the wine room prior to our official entrance. A glass of champagne in a little quiet corner was just the right touch to get us in the mood for the party atmosphere we entered into. The venue, the food and the service was impeccable. A special thanks to Rueben for his effort on the night and also to Brendan and his team for the lovely room setting. We will definitely return in the very near future to enjoy a meal with friends in the restaurant. Thank you again".

Carlee & Blair Cheyne **Saturday 21st March, 2010**

"Hi Cassie. I would just like to take a moment of your time to say how impressed I was with the way you organised Carlee and Blair's wedding. Everything went perfectly, the room looked amazing, we were very happy with the table set up and band location. The food..... well everyone has said to me how wonderful the food was, beautifully prepared and served to the tables, which then brings me to the staff; I think they were extremely professional and did a perfect job. At the end of the day I was extremely happy with every part of the evening and I know Carlee and Blair feel exactly the same way and we would all recommend you as a wedding coordinator and that Fix is a terrific venue for a wedding. Thank you once again"

"To Dearest Cassie, Rueben & all the fantastic staff at Fix Restaurant. This is just a quick note to convey our deepest thanks and appreciation for all of your wonderful help and assistance with our Wedding in September this year. We honestly could not have asked for a more wonderful person to deal with than Cassie, not to mention Rueben and all the staff on the night. Everyone there made the big and small details of our big day simple and easy to deal with; not to mention taking on our many requests. There were many compliments and a great deal of praise given to us from our friends and family regarding the restaurant, staff, the service and the food. In essence, Fix was instrumental in helping Bryan and I create an absolutely fantastic wedding event and I would recommend the venue to anyone who approaches you. Please know, you will all have a special place in our memories for doing everything you did".

" Despite a last minute change to the ceremony location due to inclement weather, the staff at Fix Restaurant took it all in their stride. Their professionalism and experience definitely made the difference, as our wedding day was stress free and the atmosphere exactly what we were hoping for. The food was exceptional, the room elegant and the staff always willing to assist our guests with a smile. I have to extend a special thankyou to Cassie for her expertise and patience. She always knew what would work best at the venue to create the mood and theme we wanted to achieve. We have since received many compliments from our guests that this was one of the best weddings they have ever been to. Thankyou Fix!"

"Dear Cassie, Rueben & all the staff @ Fix Restaurant. Ben & I wish to say a huge 'Thankyou' to you all for such a great wedding on May 23rd. Cassie; thanks for your fantastic organization and assisting us from start to finish. It was such a pleasure to have you keeping your professional eyes over everything on the night - we felt so very well looked after by you and the team. We have received so many really positive comments from all of our guests, who thoroughly enjoyed the day - as we did. We were all so impressed with the delicious food; one guest admitted that it was "the best I have ever had at a wedding to date" (and she goes to many)! So once again, thankyou - we are so glad we had a special day at Fix - it was amazing.
